

Team Heartbeat!

THE FOURTH OF JULY is always a special day for Americans.

We go to parades, play golf, have BBQ and watch fireworks. This year's 9th annual "**RED, WHITE AND BLUE GOLF TOURNAMENT**" had it all.

It started when the Color Guard out of JBLM marched in. Then Joyce Von Feldt sang the National Anthem! Opening ceremonies ended with a fly over in the missing man formation. What a way to start the day!!

Then it was off to golf!

Lots of golfers totally get into the spirit of the day.

They come dressed to honor America, full of spirit for the red white and blue.

After the tournament we all sat down to a wonderful lunch provided again this year by ***Ezell's Chicken***.

Then the fun began. We started off with the raffle. Thanks to the hard work of Sharon and Amy (raffle ticket sellers extraordinaire) we made close to \$2500. (Thanks Gals!) then it was on to a lively Live Auction. Thanks to all that donated to this event.

- Betz Winery, for the second year, donated a great wine tasting experience.
- Daniel's Broiler not only donated a \$100 gift card, but also a dining experience at your home cooked by their head chef!!

There was also lunch with John Clayton, a sit in with Brock and Salk of ESPN sports talk radio, and many more great auction items.
